

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 12, 1996

SUBJECT: **HB 2852 - SB 2968**

This bill, if enacted, will delete the requirement of the current \$150 examination and re-examination fee for a commercial pesticide applicator's license, and assign the power to set the fee to the Pest Control Board.

The fiscal impact from enactment of this bill is estimated to result in a change in state revenues depending upon the action of the Board in setting the fee; however, such change in revenues cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
